8 of the best savings incentives ever.

Incentive #1

**Magnavox 19"
Color Portable TV.**

The automatic fine tuning will give you accurate, bright, and clear color on both VHF and UHF. It comes in a beautiful walnut finish that makes this TV an attractive piece of furniture in any room. It's yours with a \$5,000 Four-Year Savings Certificate. (Gifts in lieu of one year's interest.) Find out more about this, and the other seven fantastic savings incentives at South Shore Bank. Stop in soon.

Federal regulations require a substantial penalty in the event of premature withdrawal. If you redeem your certificate before maturity, you will be entitled to the difference between the amount you deposited and the cost of the gift you received (including sales tax and delivery charges), plus interest on that amount at the then current interest rate payable for regular savings deposits, less three months' interest at such rate. The cost of the merchandise you choose will be considered income for Income Tax purposes in the year you invest in your certificate. South Shore Bank will send an interest statement to you indicating this amount.

Please allow 4 to 6 weeks for delivery. We reserve the right to withdraw any item in this selection if no longer available, and to replace it with one of equal or greater value.
